FINANCIAL ANALYSIS

ACTUALS

2011 revenues of \$532,116 is \$83,520 less than in 2010. The difference is due to membership dues coming in slower than in 2010, being \$62,309 less than this same time last year. Most of the remaining difference is \$34,000 from the all start meet which is offset by the same amount in expenses.

Expenses are running \$15,000 higher than this same time in 2010.

We have unrealized losses of \$81, 117 on our investments as of 9/30/2011, but we are still above our net investment amount.

This gives us a net income of \$24,489.

We keep our books on a cash basis so membership dues collected are not reduced by future payments. We owe approximately \$80,981 to USA Swimming on membership dues that have been recorded as revenue during October.

This will reduce the amount shown on the Balance Sheet under Chase Business Checking by the \$80,981.

BUDGET

The Athlete Travel Fund is under budget by \$47,837. This is the amount that revenue would have to increase to balance this fund.

There are no extremely large variances in the remaining budget items.

For the year, we are down by \$21,059 vs. the budget, \$24,489 actuals vs. \$45,548 budget.

WINTER/SPRING NATIONAL MEETS

The Gulf Handbook specifies that a swimmer will be fully reimbursed for either the Junior or Senior meet in December or the NSCA meet in the Spring, but not both.

SUMMER NATIONAL MEETS WITH OLYMPIC TRIALS

For Olympic Trials, US Open, and Juniors, the Gulf Policy has been to fund 100% of the most expensive meet and then 50% of the 2nd most expensive meet. That is, if someone went to two or three of the summer meets, we would calculate the amount for each of their reimbursement requests, then give them 100% of the largest request and 50% of the next largest request.

We think that is very reasonable, and we should do it again for 2012.

October 16, 2011 Catch the Spirit Camp Summary

The CTS Camp for beginning levels swimmers was held at the WW Emmons Natatorium on Sunday October 16, 2011.

A total of 32 swimmers attended – eighteen 10 and unders and fourteen 11 to 14 year olds. The camp was split into two sessions, one for each group, and each session was three hours long. During the sessions, the swimmers focused on stroke mechanics, starts, turns and finishes, by watching videos and working in the water. While the swimmers were in the water, the parents were brought into their own information session in the classroom, specifically discussing items geared towards the new swim parent. An outside speaker was brought in from Memorial Herman Healthcare Ironman Sports to discuss nutrition with each group.

The facility was excellent, both in terms of its central location and also in the quality of the pool and classroom areas. There were three coaches working with the swimmers so the coach:swimmer ratio was very good. The coaches were Jim Crampton, COOG, Hillary Martinez, FCST and Dakota Phillips, SSS. Many thanks for their work with the swimmers.

For this level of swimmer, the three hour camp seemed a good length. The most that might have been able to be added on is one hour. More experienced swimmers would have been able to process and retain more information but anything more in depth for the beginning swimmer would have been information overload.

Things to consider changing would be to have this camp a little later in the year to allow the new swimmers and their families to learn about it and sign up. Many of these swimmers were still in the process of signing up for the year and had not attended their first meet which is a great opportunity to notify them of the camp.
