

Due to the weather in the Houston area Spring Branch ISD has cancelled all events on ISD property for Saturday, January 7th. This means that the Gulf Open Meet hosted by LSST will be CANCELLED on Saturday, January 7th.

Events from Saturday will be moved to Sunday for both sessions. All events will move to circle-in format - the entire meet will be deck-seeded. Athletes may now swim a **maximum of 4 events** as follows:

- Athletes already entered in 6 events total (3/day) must scratch (not circle-in) **for 2 events**,
- Athletes that on-deck enter events, must pay the on-deck entry fee plus the swimmer surcharge if not already entered in the meet.
- There will be no refund for events not swum due to this weather issue.

The new order of events will be:
