Friday's events, all relays, all prelims heats for the 1000 freestyle and all prelims heats for the 1650 freestyle will swim in two pools, separated by girl's pool / boy's pool. All other prelims events will swim in two pools, odd heats in one pool and even heats in the other pool.

Finals events for Saturday and Sunday will swim in one pool slowest to fastest, youngest to oldest, except for the 1000 and 1650 freestyle events, which will be swum in two pools.

This meet will be run utilizing the "Flyover Starts" procedures unless a waiver is received from the Technical Planning Committee Chair. At the conclusion of each heat, the swimmers shall remain in the water until after the next heat is started. Coaches, please remind your swimmers of the "Flyover Start" procedures.

SCRATCHING: The meet is pre-seeded for events of 200 yards or less. Swimmers may compete in a maximum of 3 events per day. Swimmers must scratch any additional events entered by filling out a scratch card and depositing in the scratch box at least 45 minutes prior to the start of each preliminary session. The scratch box will be located at the Clerk of Course. Note: a no show or a DFS is NOT considered a scratch and will be counted as one of the events for the swimmer.

SAFETY GUIDELINES AND WARM-UP PROCEDURES:
See attached Safety Guidelines and Warm-up Procedures

SEEDING: The meet will be pre-seeded, with the exception of relays, the 400 IM, and 500/1000/1650 freestyle events, which will be deck seeded events. Coaches please inform your swimmers of

GULF SWIMMING

pre-seeded and deck seeded rules. All prelims and timed finals events will be seeded with heats in the order of fastest to slowest, youngest to oldest. All prelim/final events will be circle seeded in prelims. As a courtesy to the host, coaches should inform the clerk of course of swimmers not attending the meet. Empty lanes will be used for deck entries.

POSITIVE CHECK-IN FOR THE 400 IM, 500 FREE, 1000 FREE AND 1650 FREE:

Distance events (greater than 200 yards): Positive check in is required for Friday's events up to 45 minutes prior to the meet start. Positive check in is required for the 1000 and 1650 freestyle events by 10:00 am Saturday and Sunday, respectively. **NOTE:** At check in, swimmers in the 1000 and 1650 freestyle events must elect to swim in prelims (AM) or finals (PM). The fastest 8 girls and fastest 8 boys who check in for each of these events and who **DO NOT** elect to swim in **prelims (AM)**, will swim as the FIRST event in finals (PM). All others will swim in prelims as the LAST event, fastest to slowest.

The 1000 and 1650 freestyle events will be swum as timed final events and age groups will be combined into one event for girls and one event for boys for seeding purposes. Each event will be seeded by the entry time (but scored separately by age group).

RELAY CARDS: Relay cards must be turned in to the Clerk of Course by 10:00 am the session in which the event is scheduled to swim or the entry will be considered scratched.

FINALS AND SCRATCHING: The administrative rules for the conduct of Gulf Swimming meets shall follow the Administrative Conduct of USA Swimming Championships, USA Swimming rules 207.11.6D and 207.11.6E as modified below:

Any finalist who fails to compete in finals or consolation finals, or any other bonus final heat, for which he or she has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations and will be assessed a fine of \$50.00. A club, which has not paid the fine, will not be allowed to register for membership in Gulf Swimming until the fine is paid.

In a Prelim/Final meet, the finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals or consolation finals or any other bonus finals if he or she has successfully complete the event in prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet and a fine of \$50.00. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above fines and banishment from competition, even though any qualified swimmer may be moved into finals. The alternates, after the existing scratches are tabulated, will not be penalized if they are unavailable to compete in finals.

The USA Swimming National Championships Meets "reserve the right to scratch" rule is not applicable to any Gulf Swimming meet.

ON-DECK Late entries will be accepted each day up to 45 minutes before the start of each session.
