**Prelims Sessions**

The prelim sessions will be run utilizing chase starts, alternating odd and even heats for individual events of 100 and 200 meters. Odd heats will start at the West (scoreboard) end of the pool and even heats will start at the East (bulkhead) end of the pool. All prelim heats will be swum fastest to slowest. For events less than 400 meters, all girls' heats will be swum first, followed by all boys' heats.

The 400 free/400 IM heats swum during prelims: the first three heats of girls will swim, then the first three heats of boys. After that, the heats will swim alternating one girls' heat then one boys' heat. Girls' heats will start at the West (scoreboard) end of the pool and the boys' heats will start at the East (bulkhead) end of the pool.

The 1500 free swum during prelims will swim alternating girls' and boys' heats. Girls' heats will start at the West (scoreboard) end of the pool and the boys' heats will start at the East (bulkhead) end of the pool.

All 50 meter events will start from the East (bulkhead) end of the pool.

**Finals Sessions**

All Finals events will start at the East (bulkhead) end of the pool, except 50 meter events which will start at the opposite end, i.e. the West (scoreboard) end of the pool. Heats will swum in the order of slowest to fastest (D/C/B/A).

**SAFETY GUIDELINES AND WARM-UP PROCEDURES:**

See attached Safety Guidelines and Warm-up Procedures

**SEEDING:**

All prelim events will be seeded fastest to slowest, with the first three heats being championship seeded.

**CHECK-IN:**

**Positive check in is required for all events.** Coaches and swimmers are asked to circle in by 45 minutes prior to the start of each prelim session. After the events are officially closed,

**GULF SWIMMING**

no one may check-in or scratch. After circling in, failure to appear at the starting blocks will result in the swimmer being assessed a \$5.00 fine, payable to Gulf Swimming Administrative Vice-Chair for each event in which he/she fails to appear.

The 1500 free will be swum as timed finals. At check-in, swimmers may elect to swim the event during prelims. The fastest 8 girls and the fastest 8 boys in each event who check in, and who do not elect to swim in prelims, will swim during finals. All other heats will be swum during prelims, alternating girls and boys.

**RELAY CARDS:**

Relay cards must be turned in to the Clerk of Course by the start of the session in which the event is scheduled to swim or the entry will be considered scratched.

**FINALS AND SCRATCHING:**

The administrative rules for the conduct of Gulf Swimming meets shall follow the Administrative Conduct of USA Swimming Championships, USA Swimming rules 207.11.6D and 207.11.6E as modified below:

Any finalist who fails to compete in finals or consolation finals, or any other bonus final heat, for which he or she has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations and will be assessed a fine of \$50.00. A club, which has not paid the fine, will not be allowed to register for membership in Gulf Swimming until the fine is paid.

In a Prelim/Final meet, the finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals or consolation finals or any other bonus finals if he or she has successfully complete the event in prelims) may be moved into finals due to scratches, therefore **all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet and a fine of \$50.00.** Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above fines and banishment from competition, even though any qualified swimmer may be moved into finals. The alternates, after the existing scratches are tabulated, will not be penalized if they are unavailable to compete in finals.

The USA Swimming National Championships Meets “reserve the right to scratch” rule is not applicable to any Gulf Swimming meet.

This policy protects our patrons and spectators from poor air or water quality hazards typical with indoor-swimming pools caused by microorganisms and chloramines. The cornerstone of this policy is based on guidelines which mandate safe practices such as requiring all participants to shower before entering the CISD Natatorium.
