SAFETY/EMERGENCY PROCEDURES

Please go over these with your swimmers before race day. Some of this information will be a part of the pre-race conversation. 1 team rep/coach needs to share their cell phone for contact by meet management for any notifications leading up to/day of the vent. Also teams can follow @RiceOpenWater on Twitter for mass notifications in case of any weather delays.

Safety/Emergency Procedures:

1. If you are apprehensive about participation in the swim or your ability to complete the distance, please withdraw before entering the water at the start—this is not the time to test your open water swimming skill for the first time.
2. If you need assistance during the race, wave one arm overhead, a paddler will come to you.
3. If you drop out before or during the race, report immediately to the finish line judge under the finish banner so your safety can be accounted.
4. Faster swimmers should position themselves closer to the start line at the edge of the water with slower swimmers assuming a less risky position further back on the beach.
5. Emergency staff will be stationed *Behind Meet Management*
6. A cut off time of *20 MIN / 1/2 MILE* will be enforced. Any swimmer still in the water at this time will be brought to shore—please cooperate for your own safety.
