

Parking Update

Due to Katy ISD Band Send-off party on Sunday afternoon please plan on utilizing the alternate parking lots adjacent to the Natatorium Park Lot for the Sunday pm session as indicated in the map attached below.

The community has organized a send off on Sunday afternoon. We need your help during that time. **The Directors have asked that no one park in the natatorium parking lot on Sunday afternoon.** A portable has been moved to the lot which takes up quite a bit of space. Plus, some students will be leaving their cars in their school assigned spots while they are in San Antonio. They will also have a large caravan of charter buses and equipment vehicles that need room to maneuver. There is an abundance of parking near the Merrill Center or on the west side of Tiger Stadium as indicated on the map below.
