## FAQ'S OR COMMENTS

### **I DIDN'T THINK I WAS EXPERIENCED ENOUGH TO OFFICIATE:**

Anyone with a Stroke & Turn certification or higher is more than qualified to officiate at this meet..and welcome!!!

### **I THOUGHT I HAD TO APPLY AND WOULDN'T GET ACCEPTED SO WHY BOTHR?**

At this meet there is an "application form" that is used to:

- Confirm your attendance and verify your certification levels
- Request an "assigned" position as a Chief Judge, Starter or Deck Referee
- Request an evaluation from the National Evaluator

No one is turned down if the S&T certification is in order, we need your help!

### **I NOTE ON THE APPLICATION IT ASKS ABOUT EVALUATIONS? DO I HAVE TO BE EVALUATED IF I ATTEND?**

This meet is designated as a National Qualifying Meet for Officials (OQM). There is a National Evaluator attending the meet (Mr. Paul Maker) and a wonderful opportunity to be mentored and improve your skills. However, it is NOT mandatory and completely up to each official.
