\* Swimmers must provide their own timers and, as needed, lap counters for the 500 Friday's night, and for the 1650 on Sunday.

\*\* Warm-ups for Saturday and Sunday finals sessions will begin 2 hours after the conclusion of the prelims session or 4:00pm, whichever is later, and the session will begin 1 hour after the warm-ups commence.

**MEET TYPE:** This meet will be run utilizing the "Flyover Starts" procedures unless the meet referee decides otherwise. At the conclusion of each heat, the swimmers shall remain in the water until after the next heat is started. Coaches, please remind your swimmers of the "Flyover Start" procedures.

**MEET FORMAT:** Friday's events will swim girls in the West Pool and boys in the East Pool. Individual events in Saturday and Sunday prelims sessions will swim odd heats in the West pool and even heats in the East pool.

As applicable, all individual events in prelims will swim combined but will be scored separately by age group: 15&Up, 13-14, 11-12, and 10&Under.

TWST reserves the right to limit entries, to combine events by age and/or gender, or move events from one pool to another in order to more efficiently run the meet and to maintain reasonable timelines. Any of these changes will be communicated to attendees either in the warm-up/timeline report posted on the Gulf website or on site via announcement of the changes.

**SAFETY GUIDELINES AND WARM-UP PROCEDURES:** See attached Safety Guidelines and Warm-up Procedures.

**OFFICIALS:** The uniform for all preliminary sessions will be white polo shirt over khaki shorts/pants/skirt. The uniform for finals will be navy polo shirt over khaki pants/skirt (no shorts please).

**SEEDING:** This will be a pre-seeded meet for individual events 200 yards or less. Positive check-in is required for all events 400 and up. All heats will swim fastest to slowest except finals heats, which will swim slowest to fastest. On-deck entries will be added to empty lanes or a heat will be added if necessary and if the timeline permits.

**FOUR HOUR RULE:** This meet will operate under the USA Swimming Four Hour Rule. The meet host may limit entries, or may limit or eliminate deck entries as needed to conclude each session of the meet within four hours. In addition, The Woodlands Swim team may limit entries, or eliminate deck entries to accommodate facility availability.

**CHECK-IN:** This is a pre-seeded meet for individual events 200 yards or less. Positive check-in is only required for events 400 and up. Positive check-in will close 45 minutes prior to the session start. Athletes who do not perform positive check-in for Friday's events will be scratched from those events.

**FINALS AND SCRATCHING:** The administrative rules for the conduct of Gulf Swimming meets shall follow the Administrative Conduct of USA Swimming Championships, USA Swimming rules 207.11.6D and 207.11.6E, as modified below.

Any finalist who fails to compete in finals or consolation finals, or any other bonus final heat, for which he has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the *USA Swimming Rules and Regulations* and will be assessed a fine of \$50.00. A Club, which has not paid the fine, will not be allowed to register for membership in Gulf Swimming until the fine is paid.

In a Prelim/Final meet, the finalists and alternates for finals shall be announced and shall have thirty (30) minutes after the announcement to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals or consolation finals or any other bonus finals if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet and a fine of \$50.00. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set. Only the finalists set at this point may be subject to the above fines and banishment from competition, even though any qualified swimmer may be moved into finals. The alternates, after the existing scratches are tabulated, will not be penalized if they are unavailable to compete in finals.

The USA Swimming National Championships Meets "reserve the right to scratch" rule is not applicable to any Gulf Swimming meet. The "intent to scratch" rule is not applicable to any Gulf Swimming meet.

CISD is committed to the health and safety of all patrons. *The CISD Natatorium* utilizes advanced training and technology and has adopted the Centers for Disease Controls (CDC) "*Healthy Swimming Policy*". This policy protects our patrons and spectators from poor air or water quality hazards typical with indoor-swimming pools caused by microorganisms and chloramines. The cornerstone of this policy is based on guidelines which mandate safe practices such as requiring all participants to shower before entering the CISD Natatorium.
